

Magnox South

Berkeley Site

Site Directors Update

*Berkeley Site Stakeholder Group – 8 July
2009, Berkeley Arms Hotel*

Site Director – Jim Crocker

Berkeley Site Update - Safety

- Top focus on site remains safety and compliance
- It has been 33 weeks since the last lost time accident on site
- Site awarded RoPSA Order of Distinction for safety performance – a first for a Magnox Site!

Berkeley Site Update

- PSR projects progressing well on site
- Excellent work in on shielded area pond
- Reactors into safe store mode progressing well
- Site continues to work towards transition date of the 1st December to new organisational structure

Berkeley Site Update - Community

- £25K donated to GL11 project based in Cam as part of the company socio-economic development scheme
- £3K Energy Solutions sponsorship and donations made so far this year
- Community evening planned at Slimbridge WWT 16 October, please come!
