

**Berkeley Site**

# Site Directors Update

*Joint Berkeley/Oldbury Site Stakeholder  
Group – 4<sup>th</sup> November 2009 – The Gables  
Inn*

Site Director – Sean Sargent

# New Site Director – Sean Sargent

- Thank you to Jim Crocker who has now returned to a position back in the States
- Berkeley Centre in 2003
- Hinkley Point A in 2005
- Bridgwater Office in 2008
- Now Site Director for Berkeley Site and Magnox South Support Office (MSSO)

# Berkeley Site Achievements

## Safety

- RoSPA Order of Distinction
- 49 weeks with out a lost time accident

## Environment

- Institute of Environmental Management and Assessment (IEMA) Accreditation

## People

- Investors in People achieved for Magnox South Ltd

# In the community

- The site continues to support the local community through the Magnox South Socio-economic Development Scheme:
- GL11 received £25,000 to assist in its community programmes
- Vale Vision received £1500 to establish the Vale Business Forum
- Energy Solutions the Magnox South's Parent Body Organisation has awarded over £4,000 to a range of local community groups and organisations
- Projects held with local schools to assist in the attainment of awards in engineering and science

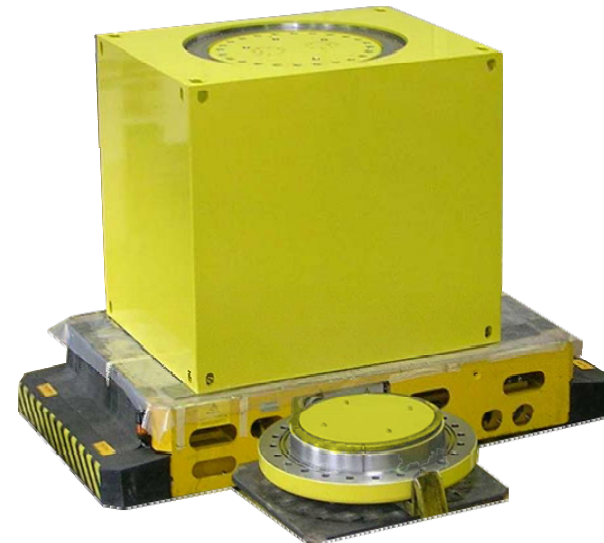

# Key projects

- Reactors into Safestore mode (formally known as Care and Maintenance)
- Asset Management (Periodic Safety Review requirement)
- Partial clean up of the Berkeley Centre laboratories/Shielded Area facility, until Intermediate Level Waste solution achieved
- Demonstration of Emergency Arrangements to the Regulators
- Staff Transition

# Intermediate Level Waste Update

- Emphasis will always be on keeping the site safe and compliant
- Working towards achieving a regulatory commitment to removal of all waste out of the Intermediate Level Waste vaults and Caesium Removal Plant by 2017
- Working to address affordability issues with the plan through innovative solutions such as MiniStores
- Work on site piling for Intermediate Level Waste store starts in the New Year

MiniStore
